

QUALITY POLICY STATEMENT

Protecting people at work, every single day, so they can return home safe and sound at the end of the day. That's our mission at Vandeputte.

We'll move mountains to achieve this goal. Together. The continuous improvement of our quality performance is an ongoing mission for our board, management and employees.

The relevant regulations and standards form the foundations of our product quality. Our processes always comply with the most up-to-date ISO 9001 requirements.

Our strategy for 2021-2025 emphasises quality as an important factor to be incorporated in many of our strategic objectives. This policy statement is evaluated annually during the management review, and revised where necessary.
